**De Colores!**

Thanks to all those who helped make the Fall Men's and Women's Walks so successful. God uses each one of us just as He needs us if we are only willing to let him. I would like to personally welcome all of our new Fourth Day members and remind you that your participation is crucial to our community's growth.

I would like to ask each and every community member to pick up your Emmaus cross and read the inscription: "Christ is counting on you". Think back to your cross ceremony and how you felt upon receiving it. Did you make commitments to Christ on that afternoon? While your emotions were soaring and the Holy Spirit was consuming you, did you tell yourself, others, and Christ that you would pass this gift on to someone else? Have you? In order for this community to be alive and vibrant, in order to fulfill our mission statement, we must all honor our commitment to Christ. We are not all called to serve in the same way; we are however ALL called to help strengthen the body of Christ. Sponsorship is one way to do this. Those of us who attend congregations with several Fourth Day members in them already realize how much more alive the Holy Spirit seems to be these days.

I have also personally witnessed the wonderful positive effects of reunion (share) groups. If you aren't a member of one please consider forming one. Speak to your sponsor or someone who is already in one for help and guidance. Remember from the Perseverance talk, you can have people in the share group that have not attended a Walk. The important thing is that you meet regularly, that it be small, 4-6 people of the same gender, that it not be a gossip session, and that you hold each

other accountable to Christ. It is also an added blessing to know that folks are holding you up in prayer daily as life knocks us around.

March will be here before we know it, so please begin praying now for the Holy Spirit to give you the person He is calling you to sponsor for the Spring Walks. Remember the commitment you personally made to Christ and follow through. The rewards for faithfulness are never ending.

May the Lord bless you all in this coming Holy Season,

Frank Rogers  
De Colores!
